

# INJUSTICE IN PALESTINE

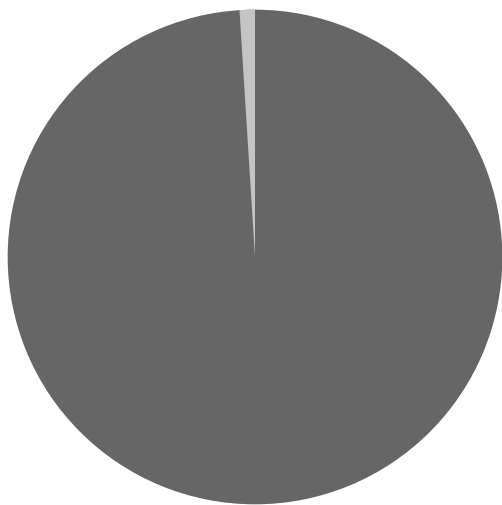

## UNDER MILITARY LAW

In the Occupied Territories, Palestinians are subject to Israeli military law, while Israeli settlers are subject to civil law.

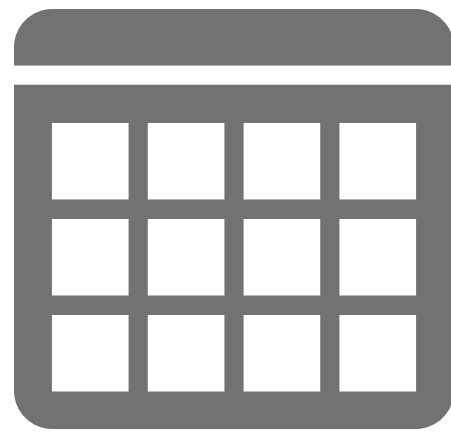

**99.7%**

Conviction rate for Palestinians in Israeli military courts

**90 DAYS**

Length of time detainees can be held without access to a lawyer

## CHILD DETENTION

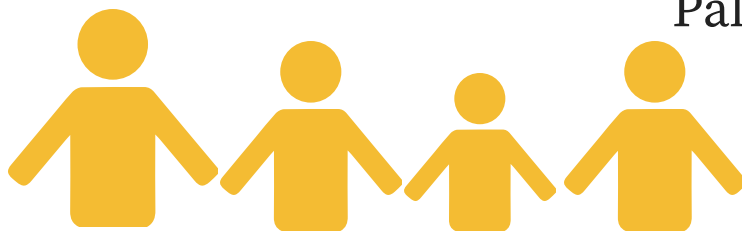

Israel is the only country in the world that automatically prosecutes children in military courts. Children are often detained during nighttime raids on their homes.

**12 YEARS OLD**

minimum age detention

**700 CHILDREN**

annual estimate of Palestinian minors detained

## UNLAWFUL DEPORTATION

In violation of International Law, Israeli authorities deport detainees from Palestine to Israeli prisons. Child transfers are particularly harmful, ensuring little or no family contact.

**33% OF**

**Black American men**

can expect to go to prison in their lifetime.

**40% OF**

**Palestinian men**

in Occupied Territories have been detained at some point in their lives.
